## EVENT SCHEDULE

### PRESENTATION DESCRIPTIONS AND SPEAKER BIOS

**Ken Smith, Ken Smith and Associates, LLC**

Thursday, 8:00am- 9:30am

Escalator Step Skirt Index

**BIO:** Ken is currently the principle consultant with Ken Smith and Associates. Ken has over 30 years' experience as a mechanical engineer that specializes in the design, installation and maintenance of escalators and moving walks. Over the years, Ken, has become involved in escalator litigation and training.

He is a member of the ASME A17 Escalator and Moving Walk Committee as well as the B29 Chain Committee.

**Mark Mullins, EIWPF**

Thursday, 9:30am- 10:30am

Hazard Alerts

**BIO:** Mark entered the elevator industry in September of 1998 with Local 48 in Charleston, West Virginia for Otis Elevator Company. While working for Otis, he worked in Construction, Repair, Modernization and Maintenance and successfully passed his Mechanic's exam in 2005.

Mark was elected Business Representative/Correspondent to the Journal in November of 2005. Some of the other positions he held while Business Representative was Local #48 Part time Administrator for NEIEP, JAC Chairman, NEIEP Chairman, NEIEP Instructor, Certifying official for the West Virginia Higher Education

Mark also sat on the Kanawha Valley Labor Counsel/WV AFL/CIO and the WV Joint Labor/Union & Management Apprenticeship and Training Advisory Counsel.

Mark was asked to join the team as National Coordinator for the Elevator Industry Work Preservation Fund in September 2008. Some of his duties are Model Legislation and Davis Bacon/Prevailing Wage, Service Contract Act, OSHA, Liaison to the Signatory Contractors, Residential Lift Grant Program.

Mark has earned his Master OSHA Instructor credentials through the Center to Protect Worker's Rights to teach Train the Trainer for the NEIEP Instructors, so they can teach OSHA 10/30-hour courses. He also carries a Construction Outreach Trainer and an Authorized Disaster Response cards, so he can also teach OSHA 10/30-hour classes and also he has his QEI.

Mark serves on several committees including: BCTD Davis Bacon Committee, BCTD Safety and Health Committee, IUEC Safety Committee and the Elevator Escalator Safety Foundation and the West Virginia A17.3 Committee.

**EVENT SCHEDULE**

---

**Brian Rausch, State of Wisconsin**

Thursday, 11:00am- 12:30pm

Wisconsin Code Updates

**BIO:** Brian is responsible for reviewing installation drawings for compliance with applicable codes and standards related to conveyances, and for review and approval of new products and systems for use in Wisconsin. He serves as an advisor to the Wisconsin Conveyance Code Councils. He provides code consultation and training to the elevator, building design and construction industries. Brian is a graduate of Milwaukee School of Engineering with a Bachelor of Science degree in Architectural Engineering and is a Wisconsin licensed Professional Engineer. He holds state elevator and building inspector credentials and has been with the State of WI for over 12 years

---

**Mark Urban, State of Wisconsin**

Thursday, 11:00-12:30pm

Wisconsin Code Updates

**BIO:** Mark is responsible for conveyance safety tests for acceptance in southeast Wisconsin. In addition, he is tasked with performing field audits of third party inspectors throughout the State, as well as accident investigations. Prior to joining the Department of Safety and Professional Services, he worked as Operations Manager in the Garaventa Branch Office which serves Illinois and Wisconsin. It was in this role that he gained greater familiarity with Accessibility products and codes as they relate to Inclined and Vertical platform lifts, Residential elevators and Limited -Use/ Limited-Application elevators. During this time, he also earned his Certified Elevator Technician (CET) designation and Chicago Supervisory Elevator Mechanic License. Prior to that he worked in construction, service, and maintenance for a Chicago Local 2 signatory company.

---

**Kim Schmitt, State of Wisconsin**

Thursday, 11:00am- 12:30pm

Wisconsin Code Updates

**BIO:** Section Chief for the State of Wisconsin Department of Safety and Professional Services Elevator, Boiler, Pressure Vessel, Mech Refrigeration, Gas System and Mine Safety Programs since August of 2015.

Prior to working for the state, he spent 20 years in the private sector as an Operations and Services Manager for three electrical/automation distributors. Resides in Erin, Wisconsin with his wife and two daughters.
