PRESENTATION DESCRIPTIONS AND SPEAKER BIOS

Jack Day, NAESA International, Host of the Event

BIO: Jack has taken a position with NAESA International as the Educational Director and full-time instructor. Jack was appointed as Chief Elevator Inspector for the State of Washington on January 3, 2005, through December 2016. He had worked briefly as an Elevator Technical Specialist for Labor and Industries after moving from WA to Missouri. Jack took the position as an inspector working directly with the Chief Inspector with the State of Missouri to help further establish the Department of Elevator Safety as an inspector for the State. Jack has 17 years of previous work experience with Otis Elevator including Installation, Maintenance and Modernization Supervisor and Territory Manager.

David Newmoyer, NAESA International, Co-Host of the Event

BIO: David Newmoyer has recently taken a position with NAESA International as the Assistant Educational Director and full-time instructor. David has 20 years of experience in the vertical transportation industry. Dave's experience includes strong leadership, communications, training, and project management background. Developing strong relationships and successful teams was the foundation of Dave's 20-year military career with the United States Air Force. Dave completed his Bachelor of Science in Management at the University of Phoenix. David has worked as an Elevator Consultant for ATIS Elevator, LLC, a Modernization Manager for OTIS Elevator and in Installations for Kone Elevator. In his previous positions in addition to inspector duties he has developed and led educational training seminars, devised and implemented a new training syllabus, designed a new laser survey procedure for frontline supervisors, created an installation safety program, and mentored/coached newly hired employees.

Lake Geneva, WI
September 25th-26th, 2025

EVENT SCHEDULE

"In the Public Interest"

Dot Mynahan – National Elevator Industry, Inc. (NEII)

David Smarte – National Association of Elevator Contractors (NAEC)

Thursday, September 25th, 8:00 am- 9:00 am

BIO: Dot Mynahan is the Senior Director of Safety and Workforce Development for the National Elevator Industry, Inc. (NEII). Dot focuses on policies and protocols that help prevent rider and worker incidents and injuries, improve safety codes, create comprehensive safety resources, and develop safe workplace best practices. Prior to joining NEII, Dot worked for Otis Elevator for 33 years before retiring as the Executive Director of Field Operations for the Americas in December 2023.

BIO: David Smarte is the Global Safety and Training Officer for the National Association of Elevator Contractors (NAEC). Dave is a respected leader with experience leading multidisciplinary teams in all aspects of the elevator industry while enhancing workplace safety and efficiency. Dave is licensed as an elevator mechanic in multiple states, holds his QEI certification, and is an active member of ASME's Hoistway and Emergency Operations Committees.

Joe McAnulty- NAESA International Instructor

Thursday, September 25th, 9:00am- 10:00am

Thursday, September 25th, 4:00pm- 5:30pm

Friday, September 26th, 10:00am- 11:30am

Friday, September 26th, 12:30pm- 2:00pm

BIO: Joe McAnulty was previously employed by ATIS . After the merger of ATIS, Liberty Elevator Experts and KJA, I became the Chief Operating Officer of US Consulting which oversees Consulting, Design, Expert Services and Asset Management. Currently hold a QEI-S and CET along with inspection, mechanics, and electrical licenses in multiple states. I am on the Board of Directors for NAESA along with being the Chair of the Elevator and Escalator Safety Foundation.

Brian Rausch- State of Wisconsin

Mark Urban- State of Wisconsin

Kim Schmitt – State of Wisconsin

Thursday, September 25th, 11:00 am- 12:30 pm

BIO: Brian- State of Wisconsin DSPS Elevator Safety Code Consultant since 1997. Brian is a graduate of Milwaukee School of Engineering with a Bachelor of Science degree in Architectural Engineering and is a licensed professional engineer. He is responsible for reviewing the conveyance new installation and modernization plans and petitions for variance. He writes website articles and exam questions, maintains forms, assists in updating state codes and assists contractors, inspectors, architects and owners regarding codes related to conveyances.

Wisconsin Elevator Symposium

Lake Geneva, WI
September 25th-26th, 2025

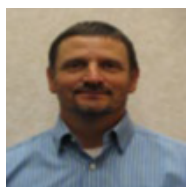

EVENT SCHEDULE

"In the Public Interest"

BIO: Mark- State of Wisconsin DSPS Elevator Inspector. Mark is responsible for conveyance safety inspections for acceptance in southeast Wisconsin. In addition, he is tasked with performing field audits of third-party inspectors and accident investigations. During the pandemic, he initiated remote video inspections in Wisconsin, a necessary accommodation to a most unexpected crisis. Prior to joining the Department of Safety and Professional Services, he worked as Operations Manager for the Garaventa Branch Office which serves Illinois and Wisconsin. It was in this role that he gained greater familiarity with Accessibility products and codes as they relate to Inclined and Vertical platform lifts, Residential elevators and Limited - Use/ Limited-Application elevators. During this time, he also earned his Certified Elevator Technician (CET) designation and Chicago Supervisory Elevator Mechanic License. Prior to that he worked in construction, service, and maintenance for a Chicago Local 2 signatory company.

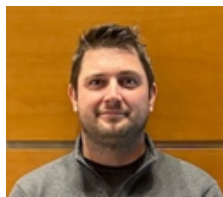

BIO: Kim - Section Chief for the State of Wisconsin Department of Safety and Professional Services Elevator, Boiler, Pressure Vessel, Mech Refrigeration, Gas System and Mine Safety Programs since Aug of 2015.

Prior to working for the state, he spent 20 years in the private sector as an Operations and Service Manager for three electrical/automation distributors. Resides in Erin, Wisconsin with his wife and two daughters.

John Gehl - TSASK

Thursday, September 25th, 1:30 pm- 2:30 pm

BIO: John Gehl – Born and raised in Regina, Saskatchewan, I entered the elevator trade out of high school at 18 years old. After working for a few companies and performing new construction, modernization, service, maintenance, troubleshooting and adjusting I was lucky enough to get an opportunity to try my hand at inspecting in late 2018. Years later here we are, still inspecting elevators, amusement rides and ski lifts for the province as the regulatory AHJ. I've been fortunate to present with co-workers at past NAESA Canadian Region seminars and am honored to be speaking to other industry professionals in the United States of America.

Wisconsin Elevator Symposium

Lake Geneva, WI
September 25th-26th, 2025

EVENT SCHEDULE

"In the Public Interest"

Ian McMillan- KONE

Thursday, September 25th, 2:30pm- 3:30pm

BIO: Ian started his career in the elevator industry in 1984 working in the field in New York City for Schindler Elevator Corporation. Over the course of his career at Schindler, Ian held numerous positions including Adjuster, Troubleshooter, Regional Field Engineer, Modernization Engineer, and Technical Training Manager. Ian was the Manager of Engineering at the control manufacturer O. Thompson in Queens, NY until the company was sold, at which time he continued his career in the elevator industry with Magnetek as the Northeast Regional Manager. He is currently the Reliability Manager for the Eastern Region for KONE Elevators and Escalators. Ian has held a QEI certification since 1999 and currently serves on the NYC Department of Buildings Elevator and Conveyors Code Committee.

Russell Larson - Otis

Friday, September 26th, 7:30 am- 8:30 am

BIO: Russ Larson started his career as an electrical engineer, and has held additional positions of project manager, field superintendent, service manager, general manager and regional field operations manager. Russ is currently the Director of Codes and Compliance for Otis in North America. He received his QEI certification in 2005 and is the vice chair of the NAESA Board of Certification and is the Secretary/Treasurer of the NAESA Eastern Region. Russ is also a member or alternate member of several ASME code committees.

Leonard Donaldson – NAVFAC VTE

Joe Maxwell – NAVFAC VTE

Friday, September 26th, 8:30 am- 9:30 am

BIO: Leonard Donaldson worked 20 years at the Pentagon as a Facility Technician and Building Inspector. Transferred to Naval Facilities in 2010 into elevator contract oversight field. Became a QEI in 2013 for NAVFAC Washington. Promoted to Lead Certifying Official for NAVFAC Washington in 2016. 2019 accepted position at Engineering and Expeditionary Warfare Center (EXWC) as VTE Program Manager and Technical Warrant Holder for US Navy.

- Training of NAVFAC VTE Inspectors for the Navy VTE elevator program for Naval Shore Facilities worldwide. The preparing authority of DoD Unified Facilities Criteria 3-490-06 and Elevator Master Guide Specifications (UFGS) for all of DoD.
- Coordinating design and safety code with Fire Protection and other Gov departments.
- Developing policy and Administering the Elevator Inspection and Certification Program
- Issuing Final Determinations on Safety Code Interpretations, Variances, and Waivers.
- Developing Classroom and Field Training for NAVFAC Certified Elevator Inspectors.
- Currently a member of 5 ASME A17 and A18 code committees and contributing member of 1.
